Arch Aesthetic Plast Surg 2014;20(3):173-177

In this article, on page 173, the title has been spelled incorrectly in this article: “Noninsional” should have appeared as “Nonincisional”.

The title should be corrected as the following:

from “Prevention of Lower Eyelid Ectropion Using Noninsional Suspension Sutures after Blepharoplasty”
to “Prevention of Lower Eyelid Ectropion Using Nonincisional Suspension Sutures after Blepharoplasty”

We apologize for any inconvenience caused.
